

SPRING CLEAN UP

YARDWORK
Crew

It is that time of year for our church yard and parking lot to be cleaned up. We need leaves raked, bushes and planters attended to, and gravel removed from the parking lot.

Saturday May 13th, at 10 AM is when we need your help.

Please bring a rake and gardening tools.

Fill the Baby Bottle

The annual Baby Bottle Fund Raiser for the Calgary Pregnancy Care Center takes place in May. Our five-gallon baby bottle will be out each Sunday morning to collect your donations to support this worthy cause. Your contribution will help many young expectant mothers in need of council and support.

What a wonderful musical journey! Between some great solos and a lot of rewarding but dedicated work from the choir, we have been blessed with many moving musical experiences. Our musical choir year is winding down. Hats off to Lana, Joan, Jean, Allan and the awesome team for The Last Supper re-enactment. I am sure I speak for us all when I say we felt as if we were right there with the apostles. I am sure most people don't realize the amount of rehearsal time and attention to detail it takes to make something like that happen so professionally and seamlessly. We would love to have some of you wonderful male singers come and join our choir next session, in the fall. It was also an honour to be hosted on Good Friday by our sister church. Kudos also to the musicians who braved the early morning sunrise service! You are awesome! Music floating over the hills, a terrific breakfast and blessed communion all on Easter Sunday. What a gift! A time for new life, rebirth, renewal and joy!

Blessings to all. Judy
