

## Mission & Outreach

### Cuba Connect

Loretta Flood and a group of five friends visited Cuba in December. Through numerous attempts to make contact, earthly Angels and God's Will allowed them to connect with Pastor Tania Fonaeca, and travel to meet her at Iglesia Morava, near Havana Cuba.

With help from an impeccably skilled interpreter, they were warmly greeted, viewed a PowerPoint presentation of development of the Church and its ministry there, including repairs and new construction.

They are praying for a new roof for the Comenius Center. (Good Shepherd Church has previously supported this ministry).

Pastor Tania prayed and blessed all, with thanks for kindness in bringing gifts, clothing, education hygiene supplies for her people. She prayed for continued travel safety

It was a very beautiful experience!

Lovely refreshments were served, and local ladies sang "Happy Birthday" to one of the group!

It was very hard to leave!

Blessings!

Loretta
