

## ***Easter Sunrise and Breakfast***

It is a Moravian tradition to pronounce our Lord “Risen indeed!” at sunrise, Easter morning. We meet in the Nose Hill Park parking lot (64 ave and 14 st) at 6:30 AM and walk a short distance into the park where a band

will lead us in a short liturgy. Dress for the weather and come hungry because once again Alan Miller will provide breakfast when we return to the church (approximately 7:15). Bring family and friends.
